

SPONSORSHIP OPPORTUNITIES

GOW is a qualified Business Sponsor and therefore we are able to offer sponsorship opportunities to candidates who are seeking to work in Australia or to candidates who are seeking to extend their working stay in Australia.

At GOW we offer the 457 visa to candidates who meet the government's requirements and our own internal requirements and in doing so we DO NOT charge commission.

The GOW team will help you understand your obligations under the 457 Visa sponsorship and we will take the time to walk you through the application process. We will also make use of our networks to ensure your application is fast tracked so you will be up and working in no time!

Our team will provide you with:

- Individual consultation on the requirements of the 457 Visa
- The appropriate forms
- Booking medical checks
- Lodgment of your application with Australian Immigration
- Advice on Australian health insurance
- Ongoing management of your Visa and Visa requirements

For further information you can access the Australian Government Immigration website at www.immi.gov.au.

Alternatively you can contact one of the GOW Temporary consultants in Sydney 02 9252 7801 or Melbourne 03 9600 4773.
